From the editor

Wow, another National has been and gone and I must say I was very impressed. This was my first National Show with the Budgerigars and it was very enjoyable. I really liked meeting so many of the members that I had only spoken to by email or over the phone.

It was lovely to meet the New Zealand crowd that came over for the show thank you for coming over for a chat.

The venue was amazing. Everyone I spoke to had only positive things to say about the whole weekend.

I congratulate Victoria as the winners however congratulations must go to all states and exhibitor/breeders for an amazing job getting their birds and exhibitors together and to the show. As an artist/illustrator I was taken back by the myriad of colours that were on display. Such beautiful birds.

My apologies for the delay in this magazine however with so many people having to contribute reports photos etc it has taken a little longer to organise.

Thank you for your patience and understanding

Presidents Report

Presidents Report.

Hi All,

Well what can I say, Penrith National what an amazing event. Well done to all those who were involved, you have done an excellent job and should be proud of yourselves. A big Thank you to Jean Painter for all of her hard work over the last 15 months with her attention to detail in organising so much that went on behind the scenes that was integral to the smooth running of this event, special mention to Ray Galbraith for organising the set up of the Marquee, thanks Ray.

To Ann Hand and her helpers, thank you for all the hard work you did to ensure the paperwork was done and the results book was printed on time. Jim Baker and his show committee, thank you for ensuring the event ran smoothly. Barry Wise, thanks for organising the birds for the auction and looking after them. And thanks to all the stall holders, I hope the event was a success for you.

Unfortunately, Victoria won the shield but in saying that we won more Logies.

Well done to the winners. We just needed to get more birds in the top three. There's always next year. I am sure you all had a great time, I for one can attest to that.

The AGM is not to far away, 22 September 2018, I wish those who have been nominated for positions good luck. To hold a position on the management committee is a very important role and one that is needed to be taken seriously as we are responsible for ensuring the BSNSW is run correctly and for the members.

I hope you all got your ring orders in to Myles as the cut-off date for rings has passed, the send out date will still be the 15 December 2018.

Again, thank you all for an amazing job, I wish you all good luck at the coming shows and in the breeding box.

Steven Cummins
BSNSW President.

Well Done!

Secretary Report

SECRETARY REPORT MAY MAGAZINE 2018

A big thanks to everyone who helped prior to and during the recent ANBC National Championship Show, it certainly is the premier budgerigar event of the year. Thank you also to Ken Yorke, Daniel Child and Cliff Spare who helped me with the computer work during the STCC and the Nationals.

It is near the end of the financial year again and requests have been sent to Branches & Association for their annual returns, please get them to me as soon as possible after your AGM meetings so our membership details can be updated. Ring orders have now closed and membership is due at the end of June, forms are available for download on our website.

Now the Nationals are over we can all get on with the normal everyday running of the Society. Consultation will now restart for the updating of the Constitution and By-Laws which need bringing into line with the Fair Trading requirements. Good progress had previously been made by the Structural Review Committee and it is hoped that with a few changes it will be tabled at the September meeting after the AGM for further discussion.

Show Manager's Report

SHOW MANAGER'S REPORT – JUNE 2018

The 44th National Show held at the Penrith Panthers Events Marque was a huge success. There were many people to thank for this success, including carers, State representatives, officials and members, all giving me good reports and appreciation as Show Manager. I would especially like to thank also the main core of the Show Committee for their great work organizing this event over the past two years, unfortunately it has not all been plain sailing.

We unfortunately finished second to Victoria with 622 points to New South Wales points of 580. We won 12 Logies one more than last year but our consistency in placings let us down.

The State Team Challenge held at the Basketball Stadium at South Windsor was very successful and went smoothly. Many thanks to all involved and to the Carers for looking after our birds prior to the National.

I would like to wish South Queensland every success for the 45th National Show being held at The Grand Chancellor Hotel in Brisbane in 2019.

JIM BAKER

Vale - Gordon Chandler

Gordon was the founding member of the South Western NSW club and was later made a life member for his contribution to our club. He held almost every executive position in the club and a very valuable and hardworking member right up to our last meeting with him. Dedicated members like that are the glue that holds the bird clubs together and he will be sadly missed. In honour of Gordon, South Western would like to present at the next annual show a perpetual trophy for the Champion Any Age bird in show, which over the years he won more often than not. His birds were selected nearly every year to represent the state at the Nationals and with an eventual Logie win at Toowoomba, they were the backbone of the South-Western team at the STCC and hopefully we can do him proud this year with the help of his son Mark.

BSNSW CANBERRA BRANCH 2018 ANNUAL SHOW REPORT

We would like to thank the 19 Exhibitors who attended our show, we were hoping for a few more entries, and some of our usual exhibitors were not present. Unfortunately, the weather was very inclement on the day and we therefore also had fewer members of the public visiting. This resulted in much lower than usual bird sales and also a lower turnover at the bbq and refreshments area.

The birds benched were of good quality with Andrew Bourne taking out Grand Champion and there was a good spread of awards going to other exhibitors, as listed in our Show Results in this issue of Budgerigar. We have had feedback from outside sources saying it was a good show and that people had enjoyed themselves on the day, which is pleasing because that is the main reason for shows, getting people together for an enjoyable day out in their favourite hobby.

We again used the seed heads and envisage that this will be a standard requirement in our future shows, and in the hobby, as it reduces the amount of seed on the floor and greatly reduces the risk factor of an accident occurring.

I would like to thank those from our branch who worked so hard on the day, Luke, Markos, Bob, Mikayla and Gupta. We owe a big thankyou to Ann Hand for her tutorage in The Show Manager Program and her work on the day, also Geoff Hand for his work with bird sales, and Michele O'Donnell for her clerical assistance. Thanks also goes to Walter and Michelle from Wollongong who travelled to Canberra for our show to man the bbq. And not forgetting Elenbee for their attendance.

We thank our branch members who sponsored a Best of Variety Award, and also those local companies who continued to support us again this year.

REPORT ON THE 44TH A.N.B.C. NATIONAL EVENT 2018

By Jean Painter B.S.N.S.W. Show Secretary on behalf of the Show Committee

After many months of preparation our “Magic Show” (in the words of our A.N.B.C. Secretary, Leigh Downey) has been run and won. Congratulations to Victoria, the Victors, with whom N.S.W. had a great tussle for points, and there was no doubt we had a strong team with 12 logies won- a magnificent result, but not strong enough in some of the supporting birds this time. Well done N.S.W.!

After concerns from various people (who thought the Show was being held in a tent) the Venue proved to be fantastic- plenty of room for all the different areas we needed to cover. Here many thanks go particularly to Ray Galbraith for his vision and planning skills which brought it all together after the final drawing plans. He also was instrumental in procuring many of our sponsors!

Every member of the Show Committee, Steve Wackwitz, Ray Galbraith, Tony Merriman, Jim Baker, Ann Hand, Jean Painter and Bruce and Nola Bradford contributed in many different ways to ensure success of OUR National and worked so well together in achieving it.

There are so many people played a vital part e.g Ann Hand who was involved in all aspects of the Event and kept the unity between different factions, as well as working with Ken Yorke on the National Program and co-opting a very capable team with Daniel Childs and Cliff Spare assisting to run it. All the results seemed to flow smoothly and the Results Booklet was first class. Ann is without doubt a pocket dynamo.

The Auction Team led by Barry Wise secured 23 lots for Auction which you will no doubt hear elsewhere has brought some much needed money into our Bank account. It is a lot of work running an Auction as anyone who has done one will know, but Barry did it so well I believe he should be our next Auction Co-ordinator at the A.G.M.

Of course you would all have seen the wonderful job that Kathy and Ian Manton did on the registrations and they were always up to date with lists which helped Ann and I greatly. The Lanyards and Day passes looked very professional and on top of all this work Ian became our Interim Treasurer as well. Well done! Kathy also supplied the tape on White Caps for the display class and the computer to run it.

Didn't our Stewards and Security look great in their Golden Cob shirts which had been previously gratefully washed and prepared by Brenda Baker? From the photos I have seen they all look as if they enjoyed their involvement. Unfortunately due to illness we were missing some of our Security and Steward Team but those present just took over without complaint. That's a good team! One Security person said he would have like to have watched more of the Judging but was chuffed that he was in the Bird room

and could pre-judge!

Ken Liley would like special thanks to go to Peter House and Craig Geering who turned up at 6 a.m. each morning and both put in extra days at the end. Pam Giles and Tony Merriman, with their previous experience in National were great Team Leaders, and Dennis Beckett had to be fed on the run because he was so committed to his task of guarding the Display birds which he did most efficiently.

The Container of equipment organised by Dave Ganzer from Sth. Queensland arrived in plenty of time at the Venue and it was packed with a certain space for everything. Many, many thanks go to Dave who was tireless in his efforts and all those who assisted in the emptying of the container and the packing up of it on the Monday. Jim, as Show Manager, developed a good working relationship with Dave which assisted the smooth running of events greatly. It is now further enhanced with the donation from N.S.W. of electrical items, bird room lighting and signage. This will certainly save the States and Zones a lot of time and expense acquiring all the items within that they previously have had to order and purchase.

Don (the Events Site Manager in the Marquee) and his Team were so helpful every day we were there, and all served us with a smile because the food was good! Greatly appreciated!

Although the Judging went overtime I don't believe that anyone could complain because the commentary was excellent. Many thanks to our four Judges, Kevin O'Callaghan from Nth Queensland, Henry George from South Queensland, Gary Gazzard from New South Wales and Gerd Bleicher from Germany. If you did not attend Gerd's presentation of winning birds in Europe on the Monday night you really missed something. Wow!. Those Birds! I will say no more! Just ask someone who was there! Unbelievable!!!

I have not forgotten those who picked up teams and Judges from the airport and delivered them back again on the Monday or Tuesday. This is a most important and integral part of the National organisation and Steve Cummins, Andre Ozoux and Jim Baker did a great job in organising that and doing the pick ups and drop offs. Steve was also there assisting with the erection of areas within the Marquee on the Wednesday and Thursday prior and liaised with Panthers Event Manager, Colleen Allen, on different bookings we needed to make as well as supervising the arrival and placement of the container.

Luke Fletcher and Glenn Mackay did a wonderful job with the live streaming of the event as always so we are very lucky to have them and also appreciate Carol Gough who somehow manages to get all the Judges Comments on to Paper.

Didn't the Trade stands add a lot of interest to the Show so I do hope that they all did well? And where would we be without our sponsors!!! Gary Heuvel from Golden Cob said it's one of the best positions he's ever had at a National. There were very colourful Destination N.S.W banners flying everywhere, and the signs printed by Aaron and Justin from 'Just Print On' were brilliant. Not to forget that wonderful displays of Roses by Nati Roses and Orchids

by the N.S.W. Orchid Society which highlighted our stage and the entrance to the Marquee beautifully.

Ray would like me to make special mention of Jorge, our AV equipment man and his team at the Marquee as well as Exhibit Systems who erected the Bird room partitioning and other work. Nothing was a problem and they were just great to work with which helps everyone!

The function on the Friday night 'Meet and Greet' could have got off to a better start but thanks to our President we eventually got the drink prices dropped to a reasonable cost and the Judges were presented with their outfits for the Saturday and Sunday. Different story on the Sunday night Presentation Dinner which was very much enjoyed by all. We had the big raffle, delicious food, wine on the table and a great atmosphere with the logies being presented to the winners and Peter Thurn as our Emcee as well as the Auctioneer that afternoon. Well done, Peter!

The focus of the Judges workshop, A.N.B.C. Meeting and the Display class were all on the White Cap this time in spite of the fact it will not be a full class till 2021. We are very grateful to Gary Gazzard who supplied all the birds for the display class, generating much interest. As per usual we had to supply a class of Normal and a class of A.O.S.V. birds for the Judges exam on the Friday. Many thanks to all who were good enough to bring birds along just for this and take them home again later, especially James Matthews who brought all of the A.O.S.V. birds! Unfortunately our two candidates from N.S.W. did not pass the Theory.

I have been asked to write on the decisions that have been made regarding flecking and supply photo evidence but because of this being a larger than normal issue of the magazine I will leave it till the next issue with details of the Delegates Meeting.

The two bus trips on the Monday and Tuesday following the Show were enjoyed by all and while some were out enjoying these excursions there were some very tireless (more like tired) workers dismantling all the items in the Marquee, putting them into the container and then still cleaning up when Bruce and I paid them a visit late Monday afternoon after the Delegates Meeting. Not one of those people would have been below sixty five years of age and Eddie Seers in his even later senior years had worked all weekend!

The Budgerigar Society of New South Wales can be very proud of their hosting of the 44th A.N.B.C. Championship Event. It was spectacular, well run, great atmosphere all weekend and has left us with many wonderful memories and photographs to treasure.

There is a lot of discussion, Australia wide, about the Eastern States hosting the National on a more regular basis due to airport proximity in the major cities, meaning less travel for the Teams of birds and availability of venues etc. etc. but there are many pros and cons to this idea that we have to consider before decisions can be made.

Flecking in birds

Delegate Report

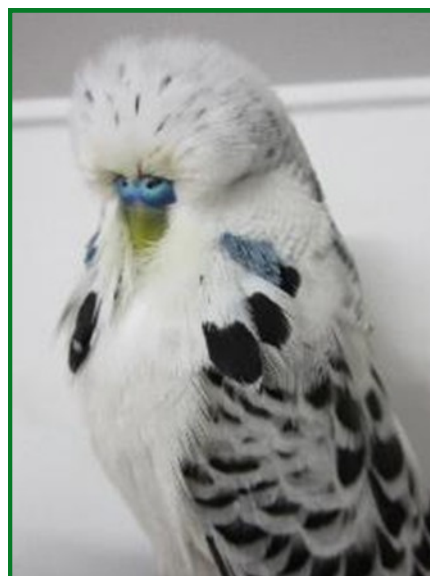

HEAVY FLECKING

HEAVY FLECKING

At the recent ANBC meeting the subject of flecking was discussed and photos have been sent out with the ANBC minutes. The two birds above are classed as heavy flecked and judges will be advised to penalise these birds very heavily to the extent of disqualification.

This is said to commence in January 2019

The two below are noted as lightly flecked and will also receive penalties and within a few years will be called heavy flecked as well. The aim is to achieve a clear headed bird as per the ANBC Standard which denotes flecking as a fault requiring penalties. We will shortly have an article put together regarding flecking, breeding and judging, this will be sent out to all Branches & Associations for distribution.

Editors Note There will be a full report in the next issue of Budgerigar
