

## **BSNSW COVID-19 UPDATE**

Hi All

We are living through some incredible times. The COVID-19 Pandemic that is enveloping the world is like nothing any of us have ever lived through and hopefully won't last as long as is anticipated.

You are no doubt aware of the current restrictions bring imposed by the State and Federal Governments in relation to non-essential public and private gatherings. It is most disappointing that a Club did not follow my last email to all and carried on with a auction. This is NOT to happen again they have put members of the society at risk

I will keep all updated if any restrictions are lifted. Please keep safe

All the best

Mark Finnimore  
Secretary- Budgerigar Society of NSW
