

Good morning everyone,

As I am sure you are aware the Government restrictions in regards to COVID-19 must be implemented immediately for all gatherings.

The current public liability insurance that we have in place with CCBFA will NOT cover claims as a consequence of the pandemic.

The society must always put the health and safety of our members first. It is with this in consideration that we ask for all club meetings, sales, auctions and annual shows be cancelled IMMEDIATELY for those scheduled before the 14th June 2020. As this situation keeps changing daily, we will keep everyone updated with any changes.

It is paramount that we as a society support the directives put in place by the government during this time. We need to ensure every member is informed of these changes and kept updated with any further information when it comes through.

Please feel free to contact me with any questions or any concerns. Please remember the health and safety of our members are as always our priority.

Kind Regards
Mark Finnamore
