**GOLDEN COB® knows birds best...**

Since 1895, we have been producing the GOLDEN COB® Breeder's Quality range of seed mixes, to provide Australian Birds with the nutrition they need for health & vitality.

A diet of seeds alone is typically low in essential nutrients, but GOLDEN COB® seeds are coated with our unique vitamin & mineral enriched oil, to provide:

- Vitamin A – important for healthy immune system & good eyesight.
- Vitamin D3 – to assist calcium absorption.
- Vitamin E – for reproductive health & increased fertility.
- Iodine – for healthy thyroid function.

Developed by reputable breeders & avian experts, the GOLDEN COB® Breeder's Quality range includes specially formulated products in 2kg, 5kg & 20kg packs.

**GOLDEN COB®**

Our GOLDEN COB® treats provide Birds with a deliciously healthy treat that offers hours of enjoyment & entertainment.

GOLDEN COB® Honeysticks for Budgies & Cockatiels are handmade using pure honey (no glue) & real berries, fruit & nuts, plus our unique vitamin & mineral enriched oil.

GOLDEN COB® Millet Sprays are a completely natural healthy treat that Birds absolutely love!

## **AVIGRAIN**

Avigrain supplies a range of birdseed mixes to suit all bird breeders. A consistent supply of clean fresh grain is our trademark. We maintain mix ratios at all times, when grains such as canary and sunflower are scarce and expensive they are in our mixes always, because they should be. The philosophy is that it isn't the price which is all important
