Editor Report

Well here you have it, our June /July issue, the fourth E-Mag for the BSNSW. I must say this is a mammoth issue with all of the results from the National and State competitions for 2014.

Congratulations to all of the breeders and exhibitors and also to the people that work so tirelessly behind the scenes, we thank you very much.

I must say I did not think that the magazine would grow the way it has over the last few months. There just seems to be so many emails coming through with more and more information and for that I say thank you. If you have sent through an article or something of importance and it is not in this issue, have faith, I will try my utmost to get everything in over the next few issues.

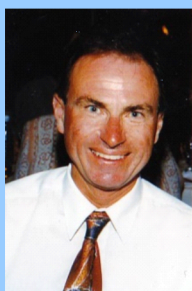

I would also ask that if you are sending through items to send them directly to me. I do not mind if you use the editor email address or my own personal email, artbyanna@bigpond.com I need to have things to me by the third week of the month that the magazine is due out. For example, the next issue is August / September so the magazine will , all going well go out at the end of August , so the third week in August is cut off for that issue.

There are always a few exceptions to the rule but this will help people understand how this is all working.

I have already started putting things together for the next issue. Anna Shaw

- 45-46 McArthur Branch Show results.
- 47 Letter to the Editor.
- 48-53 Branch news and information.
- 53 What's On.
- 57-64 BSNSW Official sheets.

Presidents Report

I would like to congratulate all the winners of the various branch and associates shows held since I last spoke to you all, leading up to the state team challenge which was well supported by exhibitors, workers and judges, ultimately won by the Pied Society, congratulations and thankyou. Some outstanding birds being selected to represent NSW at the national. We led on the first day, but were unfortunately overtaken by Victoria on the second day. We performed better than last year and congratulations to Victoria and all of our members who were successful at the National Show, not forgetting the tireless work of the carers and representatives of various committees. I would also like to thank Nigel Tonkin and his committee for hosting the National Show and inviting Daniel Lutof, a leading world authority from Switzerland to conduct a very interesting and informative lecture for our enjoyment on the Monday. It is anticipated that a DVD of his lecture may be available later.

Management:

The BSNSW management had a meeting on the 28th of April to discuss the direction of the BSNSW, including a proposal of possibly dissolving the society and forming a council. The consensus was that now it is time to review the running of the BSNSW and at the same time, undertake a review of the objects and rules. A working party was elected and a questionnaire/survey is in this issue of the magazine. The ANBC has recently added to our health and wellbeing and suggested all zones adopt the policy forth with. Our AGM will be held on Saturday the 6th of September at 1.00pm at Blacktown RSL, Second Ave Blacktown. We have numerous nominations for the positions on the management committee, including nominations for myself for president and vice president of which I would be honoured to serve if elected to either positions. The AGM is once again on Saturday afternoon to attract both city and country members to participate.

Looking forward to seeing you all again, best wishes for the breeding season.

Your president, Allan Reid.

All our decisions should be in the best interest of the Budgerigar, the Society and the majority of the members.

FROM THE SECRETARY

Society AGM:

Please remember that the Society AGM will be held prior to the Management meeting on **Saturday 6th September 1pm at Blacktown RSL club.2nd avenue Blacktown.** Formal notice of the AGM appears in this copy of Budgerigar.

Please note: There are two positions to be voted on President & 2 vice presidents. Please take the time to consider these nominations & attend the AGM to register your vote or **apply for a postal vote. Applications for a postal vote must be in my hands by no later than midnight 31st July.** Applications for a postal vote appear in this copy of Budgerigar.

Membership Fees: are now due. Please pay direct to your branch where possible. If you are not a Branch member please make payment out to the BSNSW Membership Registrar Mr Ted Wallis 19A Woodlawn Avenue Mangerton NSW2500.

STCC SHOW: Congratulations to the Pied Society on their great win on Saturday. Well done to the Branches & Associates who competed, it does take a lot of effort to put a team together & transport it to the show thank you for your effort. The Show committee & their helpers must also be congratulated on the running of the show & the much earlier completion of the show thus enabling everybody to get away much earlier than in the past.

Branch AGMS: It is that time of year again. Please go along & support your various Branch office bearers and perhaps consider helping out by taking on a position/job. **Branch Secretaries.** Please fill in the Branch elected form I will send out to you & return to me so I can update any changes into Budgerigar.

Happy Breeding
Keith Nicholls Secretary.

Web Site Enhancement

BSNSW Management is looking to enhance/ rebuild the Society's web site. This will be done by adding additional features and perhaps creating a new home page (or even have a whole new web site built).

Your **Management Committee** would like to hear of any **ideas for improvement** or what **additional features** that **YOU** would like. Please send them to BSNSW.committee@gmail.com.

Below is taken from an email I sent to our Webmaster for his response.

"Members will be asked what new features they would like added but the sort of things I have in mind are :-

A gallery page of winners from Annual Shows/State Challenge/National

Webmaster's response – "Yes quite easy to do"

A forum where members could ask for advice and get answers. Also the Society may be able conduct surveys.

Response – "Frankly, Forums are a lot of work. I run two other forums. One, a modern php-based forum, I have to manually delete 200 fake registrant (all spammers) every day.

I could set it up, but I would not administer it." ("Hills" encountered the same problem with their website and ended up closing that section – Ian)

A "classified ads" section

(may be later down the track) a "Members' Section" s where we could place things like the e-magazine (instead of emailing it to everyone)

Response – "As long as there were not tons of ads. Were you thinking of a page where members could add their own ad or submit them to me to post? "

Not knowing anything about web sites could you please tell me if

The present site has the space/capacity for additional features?

Response – "Yes it does. I would need to check how much space remains available.

My Impression is that there is space for extras."

The site can be set up for members to post their questions/answers direct to a forum?

Response – "Yes, as above (re spammers) but I would not be involved in running it."

It would be easier (or necessary) to have a whole new site built in order to incorporate the above in with most of the existing information?

Response – "Not necessary. The question is there the man-power to run it"

Looking at the above responses it would seem that we cannot consider any features that allow direct input from members/public. These types of pages could only be added if a member (or members) volunteered to post items. Are you willing to take on such a task?

As we are also giving consideration to building a completely new website we would love to hear from anyone that has this capability. (We have had one member express interest but would like to hear from as many as possible)

So, over to **YOU**, what would you like?

Ian Manton

Vice President – BSNSW Inc

Budgerigar Society of NSW Inc.

VALE

JEFF YOUNIE

On April 26, 2014, the bird fancy lost another enthusiastic member and willing worker when Jeff Younie passed away. I first met Jeff in the early 1970's when he was a member of the Camden-Campbelltown Cage Bird Society and as we were both budgerigar fanciers it was not long before we with 3 others travelled to Yagoona to the then Padstow Branch of the BSA.

In 1974 we formed the Macarthur Branch of the BSA. Jeff during the first 20 years of Macarthur was always an office bearer, from Show Secretary, Show Manager and many other positions, he was always a reliable member of the work force behind Macarthur Branch.

In 1989 he received a merit award from the BSA for outstanding service and then in 1992 he received Life Membership of Macarthur Branch.

Jeff was also a man of principle and when the society decided to impose rules on judges, re showing birds, he felt a judge should be gauged on his ability to judge and not on his ability to buy birds so he along with others resigned from the judges panel. The society not only lost a judge but lost a very willing worker. Jeff then went back to his love of finches, in particular Zebra Finches and became recognised as a willing worker and a reliable member of this part of the fancy. To me Jeff was always someone I could rely on, when I was Chief Steward for the BSNSW he was always a sectional Steward and then as Show Manager of the Zebra Finch Society, Jeff was always there to help put up and mark off the staging and any other job that fell our way. To say I miss you mate is a gross understatement, I will miss the many conversations as we drove to the meetings together in particular the ones on pairing birds and the many times we swapped birds.

Rest in peace old mate, you will never be forgotten.

Ron Hunt

This photo is of Jeff as we would all remember i.e. working at a bird show. This was at a Macarthur Annual Show 1981, entries 540 birds.

Bruce Bradford (left) being presented with the Grand Champion Award (1981)

Hi All,

I have been nominated for the position of BSNSW President. I would like to acknowledge Allan Reid who is the current President and has also been nominated for the position for the next twelve months. The Society has been blessed with many great people that put their hand up and worked tirelessly for the Society – many who continue to do so today. I like most members had birds when I was younger and have come back in over the last 6 or 7 years. The birds are vastly different now to what they were years ago however the time and effort involved in keeping them is the same. I was lucky enough to meet a Hills Branch member (Lloyd Mullens) at a sale day at Fairfield and bought some birds from him and the rest as they say is history. Over the last two years I have been Hills Branch Chairman which has been a great experience particularly due to the amazing bunch of members that we have who enjoy the birds, friendship and growing the hobby together.

I have also been Hills delegate over the last 18 months or so which has given me a good insight into the workings of the BSNSW. If I were to be elected as President of the BSNSW the management team would be vitally important to the continued success of the Society. Without naming names here there are a core group of people that I would like on the team to enable a seamless transition into the next phase of the Society. I believe the next five years to be vitally important to the Society, the members and associates. As most of you would know I have been elected as part of the “Reform Group” and feel that we have started to make inroads towards untangling what is at best a tightly woven web. There are many levels of the web from management meetings to function effectively and efficiently and then moving that through to the Branches and aligning with the Associate Societies.

I have much to learn both about the breeding of birds and the running of the Society and am very open to feedback. In between leaving and returning to the hobby I undertook an electrical apprenticeship and ran a contracting business for 17 years from the time I was 19 quite often employing people older than myself and needing to learning the skills of managing a team very quickly and on the run. In 2003 and needing a change I made another of my hobbies (property investing) a full time role. I now run a team of people helping our clients find and finance properties along with having our own building firm. During this time I have also been (and still am) very happily married to my wife Helen and have two teenagers, one at University and one in Year 11 at school.

In all my time in business and in my hobbies there have been many lessons one of which seems very true for the current position of the BSNSW which is “if you keep doing what you have always done, you will keep getting what you have always got” and as part of the Reform Group I have heard loud and clear that the members want and need some changes. I will give an undertaking to listen and do my best to make suggestions that will improve the hobby. If the above makes sense I would urge you to either apply for a postal vote and have your say or better still come along to the BSNSW AGM in September and cast your vote and maybe put your hand up to join the team.

Harry Charalambous

N.S.W. TEAM CARERS' REPORT - 2014

The Dural Sports Centre was once again this year's venue for the State Team Challenge Competition and NSW Selection, for entry into the 40th ANBC Championship Show to be held in South Australia on the weekend of 21st and 22nd June, 2014. In a trend which seems to be coming all too familiar, entries were way down in a lot of the classes, with a total of only 16 teams participating on the day.

The big surprise of the day was the way in which The Pied Society jumped away in the point score and left the rest of us well behind, in their wake. Congratulations must go to the Pied Society team organisers and all exhibitors in that team. The Pied Society won the day with 717 points, followed by Mid State on 663, then Northern NSW on 648. Next was Newcastle, The Hills and New England.

The days when the average breeder looked forward to showing their birds for their State at the National appear to be slipping away at a fast rate of knots. Some outstanding birds were entered on the day, but sadly, the numbers and quality fell away very fast in some classes.

One thing which is very important at the National Show is trying to get both birds up into the "top end" of the results, to gain maximum points.

With help from the usual few, the birds were caged up in preparation for the trip to the holding cages, where they were to be held prior to flying to Adelaide the following weekend. A close inspection first thing on Sunday morning revealed that a number of the birds had not been sprayed enough prior to the STCC and there was also a few that appeared to have been shown in the weeks leading up to it.

If breeders really want to do well at the National Show, they would be far better advised to not show their birds for at least the 6 weeks leading up to it. A bird which has been prepared, say 4 weeks prior, does not always respond well to be prepared again so soon. The weather was very kind to us, as we had bright sunshine every day, which made it easier to spray water onto the team at least twice every day; some enjoyed it, some had no idea what it was. One bird off colour for a couple of days was our only problem this year. Almost all the team responded well to the preparation procedures which we use. Once again, we were lucky not to have to substitute any of the birds which had been selected to take part. No lost tails, just a couple of missing flights.

The team spent minimum time in the Airline freight boxes, as they travelled in wire cages to the airport, which showed on their arrival at the venue. There had only been one compartment where a bit of fighting had occurred. The team arrived at the venue at about 4pm on Thursday afternoon to be greeted by Doug Lange and his security team. Arriving on the Thursday has just about become the norm these days, so as to give the birds a full day on the Friday to rest and recuperate after the flight.

The venue was The Grand Chancellor Hotel on Hindley in the centre of Adelaide. It would be hard to heap too much credit on the Committee of the Budgerigar Council of South Australia. The venue was excellent in almost every way. The only thing which we could not procure at the venue was lunch, but that was available across the road at

the PUB. \$15.00 for lunch and a pint of whatever you wanted to drink; even NSW Beer. How good is that!

The accomodation was where all events took place over the weekend and the holding room for the teams was no more than 5 metres from the Judging Hall itself. This was perfect for those of us who have no other life, except birds for the weekend. A Vet was on hand all weekend, which was reassuring for those of us responsible for our respective State Teams.

Day 1

The Hens class was the first to be benched, then odd numbered classes to follow.

6.30 am was entry into the holding room to start caging the birds up by 8 am pick up. We haven't been able to get the lights on early enough prior to the carers entering the holding rooms as yet, but hopefully, this will be a priority next year. Judges' comments and results were as follows:-

Class – Hens - Both Hens showed what they had from the start, with the Grey Spangle defying the Judges to pick anyone but her. She did not move from the perch. Our second hen eventually moved up the row after they saw her. Both excellent hens, a real credit to Mark Hawke - 1st & 4th.

Class 1 - Normal Green - The Dark Green Cock sat well, while sadly, the Light Green did not stop running all day. The bird in 3rd place was extremely lucky on the day. Judges did comment on the length of the flights on some of the birds in the class, 3rd & 6th.

Class 3 - Normal Blue - first bird showed his attributes while the second bird was moved to last place immediately. The Judge said his long flights were not acceptable these days, 6th & 14th.

Class 5 - Normal Grey - The comment from the Judges was that after the 4th place bird, the birds were not strong enough to be competitive in the class, 5th & 6th.

Class 7 - Australian Golden Face - Our first bird was moved to the front quickly and the comment was that they were looking for Double Factor birds in this class. For a bird which came out of the breeding cabinet the night before the STCC, the bird did well on the day.
1st & 8th.

Class 9 - Dilute ASC - Judges said our first bird had good colour which moved it up. The second bird was nice, but held it's leg at a funny angle at times, 3rd & 6th.

Class 11 - Red Eyed Albino - Lovely modern Hen with the qualities that they were looking for. The bird in third was unlucky to meet two better birds on the day, 1st & 3rd.

Class 13 - Greywing ASC - Beautiful colour in the Blue bird and our Grey Green was just behind it, 4th & 5th.

Class 15 - Spangle Double Factor ASC - Exceptionally strong bird with lovely feather and did not move off the perch all day. Second bird had a bit of a problem with a feather in it's eye on the day, 1st & 8th.

Class 19 - Lacewing ASC, ASV - Winning Hen sat very well on the day and had a nice top end and feather, which put her in front of the next cock bird. Our second bird did not want to be there, 1st & 9th.

Class 21 - Spangle ASC - Our first bird was nice, but a bit loose in the wings on the day. The second bird had been off colour and in the hospital cage for 24 hours the previous day. Both were a bit short behind the perch, 3rd & 7th.

Class 23 - Dominant Pied ASC, ASV - Our first placed bird stood well off the perch, which eventually led to it being placed in front of the Grey bird from S.A. Had our Light Green stopped turning circles on the cage front it would have won the class easily. Not to be. 1st & 3rd.

Class 25 - Crest ASC, ASV - Both birds staged reasonably well, although had the Dark Green bird been a bit steadier earlier on, it probably could have gone on to win, 2nd & 4th.

After the first day, we were leading by 10 points, which was a bit of a buzz. But after looking at what the Mexicans had to come the next day, we weren't all that confident at all.

Day 2 - Even numbered classes:

Class 2 - Normal Grey Green - The first three birds were outstanding on the day. The second placed bird was Super & extremely unlucky. Our birds did well to end up 4th & 7th.

Class 4 - Normal Violet - First couple of birds were good, but after that they were down on size and shape, and were too old fashioned, 7th & 8th.

Class 6 - Yellow Faced Blue - Our Grey bird went straight to the front and was never headed. Sadly our second bird dropped it's tail on Saturday afternoon and was disqualified from the event, even though it's tail feather did appear in the cage on Sunday. Worth a try??? 1st & disqualified.

Class 8 - Black Eyed Self Colour ASC - Great class, winning bird best they had seen. Second and third were good variety birds, but our second bird had suffusion problems, 4th & 5th.

Class 10- Red Eyed Lutino - Our second bird eventually moved up from ninth place to finish fifth. Both birds staged well on the day. Colour is very important in this class, 4th & 5th.

Class 12 - Clearwing ASC - First 2 birds in this class were stand-outs, and the wing clarity of our fourth placed bird was commented on, 4th & 10th.

Class 14 - Cinnamonwing ASC - Our first placed bird did not put a foot wrong all day. Right from the start, it didn't move from the perch, even when prodded by the Judges. Our second bird did not stage well at all, but it was still good enough to be placed third, 1st & 3rd.

Class 16 - Opaline ASC - First 5 were all excellent strong birds; after that they tapered off rather quickly, 9th & 11th.

Class 18 - Clearbody ASC, ASV - Strong class of birds at the top end. First placed bird was a good variety, with nice spots. Enough type to get him over the line. Our second bird had a good mask, but no width of skull, which pulled it back a couple of places, 1st & 6th.

Class 20 - Fallow ASC, ASV - our first bird went straight into second spot. Nothing was going to beat the winner (a Yellow Face from Victoria) on the day. First six birds were all good, 2nd & 9th.

Class 22 - Spangle ASC, AOSV - Judges' comment was that there was no stand-out bird at all in this class. The first placed bird staged reasonably well and the first 4 were the strongest; after that they fell away. Our second bird did not get off the floor at all, 5th & 13th.

Class 24 - Recessive Pied ASC, ASV - First 6 birds were all good birds. All up it was a pretty reasonable class of birds, 5th & 6th.

Class 26 - Dark Eyed Clear - Comments were that they were all in good feather and it is to be hoped that they will improve in type and shape in the years to come, 2nd & 5th.

The Judges this year were: Stephen Mow, Victoria, Kevin O'Callaghan, North Queensland, Nigel Tonkin, South Australia and Linda Patten, New Zealand.

We ended up with a total of Nine Logies for the weekend, which was "ONE" less than those bloody Mexicans, who managed to do us over once again this year. The final point score was as follows:- Victoria 539, New South Wales 502, South Australia 438, South Queensland 368, Western Australia 362, Tasmania 269, North & Central Queensland 347.

A big "Thank You" to Bruce Bradford, Maureen Bourne, James Matthews and all their respective helpers who put untold hours into the preparations for this event. I'm sure that we lose a small forest every year, just to supply the amount of necessary paperwork to take part.

As a final footnote, we, the Carers, feel that some type of directive has to be given by those at the Pointy End of our Society, to all exhibitors in NSW, as to whether or not our birds are to be benched as is, or are they to be prepared by the owners prior to the show in Sydney. It would appear to us, at present, that less work is being done on the birds each year.

Team Carers:
Geoff, Andre and Ian

Vision Statement BSNSW

“The bringing together of people in a spirit of cooperation to foster and promote the keeping, breeding, welfare and exhibition of Budgerigars”.

In keeping with the above vision statement, the Northside Branch, wish to give the opportunity to all budgerigar breeders to exhibit their birds.

Many new breeders either, can't afford the costs or haven't had the good fortune to acquire top quality show birds. They still have the same passion, and in many cases, more passion for breeding and keeping budgerigars than the champion breeder. I would suggest all of today's top breeders started off at a similar stage. We need to encourage the enthusiastic new members of our hobby. They need to have a forum where they can exhibit their birds, so they can gauge their progress.

Over the past few years the number of exhibits at all shows has declined markedly and we hope to buck the trend. We have set a challenging target of 600 birds for our show in September (Sunday 14th) and shall include special classes for Junior, Bush Budgie and what we are going to call “Encourage Class.” This class hopefully will attract some of the newer members to attend the show. It is hoped that we also get the support of the more experienced breeders who, not only exhibit their own birds, but also make themselves available to answer questions and advise the newer Members.

Judging of the “Encouragement Class” will be carried out separately to the main judging and will be more of an educational tool than a competition. Hopefully the judge can explain the process and what determines a winning bird to an audience of enthusiastic new members. The more education and assistance we can offer the better.

The majority of our branch members are Novice breeders and have requested the inclusion of extra classes, so that they can showcase their birds and we hope that this initiative helps both our new members and all new breeders.

Dennis Beckett (Show Manager)

Letter to the Editor:

Blackeye Self Colours / Dilutes / Yellowface Blues

For some time I have been concerned with some of the problems with classifying Budgerigars.

1. Blackeye Self colour
2. Dilutes
3. The placing of Yellowface Blue

In regard to the Blackeye Self colour it is important to understand the class is for Blackeyed Self not Greywings. The placing of grey yellow in the Self class will in time be the demise of the Self colour. This has occurred despite experience with the greygreen and grey almost wiping out the green and blue classes. I would suggest if people require to exhibit grey yellows a class be established for this variety. A class for grey yellow can easily be written by any person familiar with Self coloureds.

In regard to the Dilutes, this is an unfortunate term that has crept into our terms as most birds are dilute that are not normals. The truth is, these birds are generally the actual greywing mutation, I refer you to 'Cult of the Budgerigar' (sixth edition) by W. Watmough; Breeding Budgerigars by Dr. M.M. Vriends and Cessa Feyerabend.

I also have in my possession, Australia Cage Bird magazines with a depth article on the greywing mutation when it was being worked on by a Mr. Browne in the 1930s. He describes the bird as almost 50% body colour with birds in the hands of poor breeders being even less than 50%. He also describes how these birds can be mated to clearwings to lift the body colour at the risk of darkening the wing colour. I suggest we have a class for 50% coloured greywings or forget them instead of trying to fit them into existing classes.

In regard to the placement of the yellow face blue in every class, this was done by stealth. The alteration to the Yellowface in the Matrix should have been put to the member bodies for approval before being finalised. As a member of your colour and Standards Committee, I can assure you it was simply given to us as a completed decision. It is worth remembering this is in reality only for the ANBC show and if the majority of the fanciers in NSW do not agree with this decision, we should revert to the old system of Yellowface placement.

Further, our delegates to the council should be instructed to advise ANBC of this decision. If we are alone on this point (I doubt we are) we only have to put Yellowface blue in other classes once a year.

Suggested Standard for Grey Yellow:

Mask	To be clear wide and deep beyond two large cheek patches.
General Body Colour	Optimum to be even shade throughout of a mustard yellow colour poor specimens will be greenish yellow.
Markings	The melanin sites to be visible and devoid of dark colouring ending to be, as per the body colour.
Primary Flights	To be lighter than the body colour but showing signs of black.
Tail	Feathering to be showing from black colouring to being black. The quill should show signs of black but not compulsory.
Cheek Patch	As Blackeye self only darker.

Ron Hunt
ANBC Judge

Branch News

MIA Branch held their April meeting in Tumut NSW at the home of Estelle & Horatio French. A great day was had by all with the BBQ lunch superbly cooked by Aunty Shirley who travelled up from Victoria.

Members were amazed by the revamp Horatio has carried out on his aviaries. Our members have had great success at recent shows. Brian Goldsmith with numerous Intermediate awards and some best in show varieties. Estelle & Horatio French best young and old Clearwing and Champion opp sex Intermediate at Canberra Show. Best Clearwing, Violet, pair & Reserve Champion Hen at South West.

BS NSW Diamond Anniversary 2014 Best Intermediate Normal Green, Clearwing 3rd, 4th 5th Reserve Intermediate young cock bird, 3rd Reserve Young intermediate Hen. Yass & Districts Bird Show held on Sunday the 27th April, Reserve young cock and hen. Reserve Old Cock Champion Old Cock best young and old Green Series plus GRAND CHAMPION BUDGERIGAR of Show what a great effort after winning 5 of the 6 champions at the same show last year. Congratulations to you both. Meanwhile the partnership of G & M Watson have made their presence felt with some super birds being benched at Riverina Border Districts and the BS NSW Diamond Anniversary Show 2014 winning Best Normal Green and Spangle AOSV in Show, best any age Green and Cinnamon, best Normal G/Green young and Spangle AOSV Reserve Champion old Hen 3rd Reserve old cock,, Reserve Champion young hen & 2nd and 3rd reserve young hen. A fine effort since Gary was in hospital having spinal injections on the Wednesday before the show and didn't pick his team until the Friday morning before heading off for a seven hour trip arriving the night before the big event.

Watto was one of the first to congratulate Ray Welshman on his outstanding winner mind you, he would have loved to have had his Reserve any age Cinnamon Hen sitting beside the winner.

Congratulations to all who supported the show and of course all of the hardworkers that made it run so smoothly. Well Done.

HILLS country members had a great day at the New England Branch Annual Show with Mark Hawke, Craig Barber & Paul Bayliss attending, Craig broke his duck winning his first Grand Champion with a HUGE cobalt cock also winning Champion Novice and Opposite sex Novice, young bird of show and 2 varieties Paul was very unlucky to just miss out on inter champion having 3 of the last 4 cocks at the finish. Mark Hawke won Champion Old Bird and champion young open cock plus winning 5 varieties

39th NATIONAL CAGE BIRD EXHIBITION 7TH AND 8TH JUNE, 2014 MASONIC HALL – BEXLEY

The BSNSW played a part in this year's National Canary and Cage Bird Show. Seventy Budgerigar entries were benched, and judged by Ron Hunt which included Pairs, Teams, Collections, Miniatures and Bush Budgerigars and this provided an interesting and colourful display.

Overall there were 700 birds on show and a large crowd of general public filed through the hall over the two days. Canary variety exhibitors and their birds travelled from South Australia, Western Australia, Queensland, Victoria and New South Wales.

The National Point Score Competition of all varieties of canaries resulted in a convincing win to New South Wales .
Budgerigar Awards: Grand Champion: Jim Baker,

Reserve Champion: Jim Baker.
Champion Old Bird: Peter House,
Champion Young Bird: Jim Baker.
Bush Budgerigar Champion: Wilson Family,
Reserve Champion: Wilson Family.
Miniature Budgerigar Champion: Wilson Family,
Reserve Champion: Errol Bousfield.
Best Junior: Hope Wilson.
