GOLDEN COB® knows birds best...

Since 1895, we have been producing the GOLDEN COB® Breeder's Quality range of seed mixes, to provide Australian Birds with the nutrition they need for health & vitality.

A diet of seeds alone is typically low in essential nutrients, but GOLDEN COB® seeds are coated with our unique vitamin & mineral enriched oil, to provide:

Vitamin A – important for healthy immune system & good eyesight.
 Vitamin D3 – to assist calcium absorption.
 Vitamin E – for reproductive health & increased fertility.
 Iodine – for healthy thyroid function.

Developed by reputable breeders & avian experts, the GOLDEN COB® Breeder's Quality range includes specially formulated products in 2kg, 5kg & 20kg packs.

GOLDEN COB®

Our GOLDEN COB® treats provide Birds with a deliciously healthy treat that offers hours of enjoyment & entertainment.

GOLDEN COB® Honeysticks for Budgies & Cockatiels are handmade using pure honey (no glue!) & real berries, fruit & nuts, plus our unique vitamin & mineral enriched oil.

GOLDEN COB® Millet Sprays are a completely natural healthy treat that Birds absolutely love!
